FILL STATION

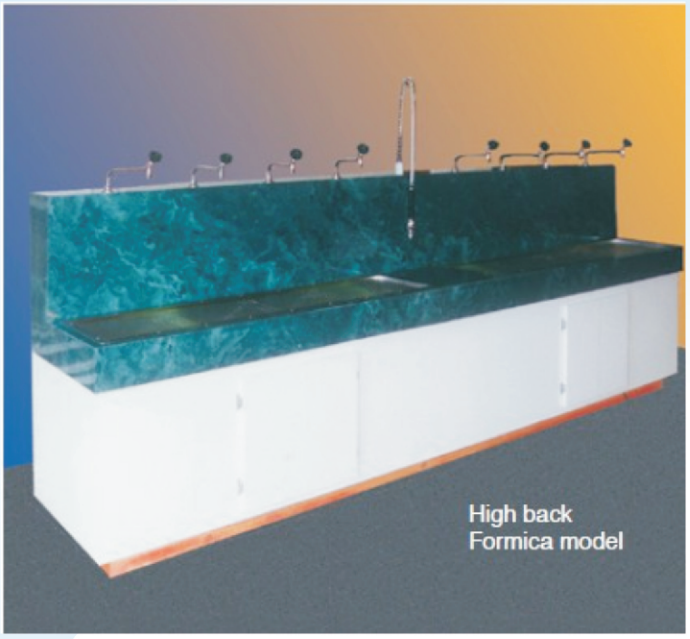
The **FILLSTATION** provides the easiest, fastest method for filling a variety of water containers for water stores

FILLSTATION is available with either a custom Corian or attractive Formica finish with many colors to choose from.

FILLSTATION comes with 4,6 or 8 fill outlets for your convenience, and is available in either a high back or low back model.

FILLSTATION is pre plumbed and ready to install upon delivery.

Low back
Corian model



High back
